

# Emad Helmy

## Inserting Career Guidance into Technical Education in Egypt

- GIZ Employment Promotion Project/ Head of CG Component Egypt
- Senior Technical Expert for CG of “Career Advisory Tools (CAT) international” [cat@int-cat.com](mailto:cat@int-cat.com)
- consultant in development cooperation (Jordan, Serbia, ...)
- Certified NCDA Career Development Trainer (training CG practitioners)

# Career Education for TVET students

## Case study of Egypt

- Activity-based curriculum, focus on career management skills
- Learning Cycles – context – limitations were considered
- Trained Facilitators >>> Multipliers (trainers & coaches) >>> master trainers
- Career Exploration (activities – visual job profiles – “Opportunity Scouting”)
